HIGHLIGHTS

Greetings from Family Cons Endo !

We're excited to announce that this year, Family Cons Endo at SRDC&H, SRIHER (DU) returns in an offline format for the much anticipated National Annual Rapid Review Program on September 08 – 10, 2025 tailored for postgraduate students. Organised with a focus on high-yield topics, this carefully curated program brings together leading experts and renowned faculty from the field of Conservative Dentistry and Endodontics. The offline format offers a unique opportunity for face-to-face interaction, active learning, and real-time clarification of concepts. Participants will also gain valuable exam-oriented insights and tips directly from experienced mentors and examiners.

This year, we are proud to announce a significant new milestone - symposium, marking an exciting evolution in the scope of the program. This symposium will serve as a dedicated platform for in-depth academic exchange, allowing postgraduate students to face the descriptive long essay with confidence. The exciting 'Kahoot' quiz session combining fast-paced learning with friendly competition and prizes for the winners!

Wishing you all the best in your final exams!

Dr. R. Mathan Rajan
Organising Chairman
